STUDENT APPLICATION 2016-2017

Logos School Student Application 2016-2017

Dear Applicant Families,

January 1, 2016

Greetings. We are very pleased that you are interested in enrolling your family in Logos School! Please notice we said “family”, not just “student(s)”. That’s because we strongly believe that is what we are doing; Scripture makes it abundantly clear that the Lord God gives children to families, not the State, not the Church, and certainly not to any school.

Therefore, we seek to enroll families. More specifically we seek to enroll families who are not only attracted to what Logos School offers, but who value and support the philosophy that undergirds the unique classical, Christian education that Logos School offers. Toward that end, we have adopted and promulgate the following purposes that affect our admissions process:

**(Taken from the Logos School Vision Statement) We aim to cultivate in our parents a sense of responsibility for the school; to see them well informed about the goals of our classical and Christ-centered approach. We desire them to grow with the school, involved in and excited about the journey. We aim to help them to follow biblical principles in addressing concerns, to be inclined to hearing both sides of a story before rendering a verdict, and to embrace the Scripture's injunctions to encourage and stir up one another to love and good works.*

The selection and make-up of the school’s student body is second only to staff selection in the impact it has upon the school’s mission. The family-like atmosphere Logos School seeks to foster and currently enjoys is due in great measure to the similarity of biblical convictions and principles taught and lived out in many of the homes of our students. As the Lord blesses us with growth and change, we want to do all we can to maintain and build up that atmosphere.

Our admissions procedure is not primarily a “first-come, first-served” basis. Please read the attached documents carefully to help you understand the steps we take to help us identify and admit students from families who have clearly expressed convictions that are similar to Logos School’s regarding the education of children. Since we hope to be assisting your family for years to come, our mutual bond of trust and good faith needs to be formed at the outset.

Thank you again for looking into what Logos School offers! We hope to be a great blessing to your family!

In Him,

Dr. Larry Stephenson
Logos School Superintendent

LIABILITY, INSURANCE, & MEDICAL FORM

I. FIELD TRIP PERMISSION

To eliminate possible problems and/or confusion, we are requesting general permission for your child/children to go on class/school field trips, subject to prior notice. You will be informed prior to each trip what the trip's purpose is, when and where the class is going, and how long it should take. We will seek to provide as much safety and supervision as possible for each trip. Your signature on this form indicates that you give permission for your student to participate in all school activities, subject to your being informed of the purpose and nature of each trip. You reserve the right to withdraw your permission for any field trip at any time.

II. EXPLANATION OF INSURANCE FOR EXTRACURRICULAR ACTIVITIES

The Idaho High School Activities Association (IHSAA) does not require nor does Logos School provide medical insurance while a student is participating in an extra-curricular activity at Logos School.

Logos, through the IHSAA, does provide "Catastrophic Insurance" coverage for all students participating in sanctioned IHSAA activities (volleyball, cross-country, basketball, and track & field). This coverage takes effect if medical expenses exceed \$25,000. (Note: Lacrosse is not an IHSAA sanctioned activity.)

Logos recommends that all students participating in extra-curricular activities be covered by a medical insurance plan. Many students are covered by their parents' existing medical program. If a student is not covered by such a program, coverage can be obtained through private insurance companies. (Note: *US Lacrosse* offers insurance coverage through their association.)

III. ATHLETES AND CONCUSSION:

Important information regarding youth athletes and concussion is located at the Idaho State Board of Education's website (<http://www.boardofed.idaho.gov/concussion.asp>) and at the website of the Idaho High School Activities Association (<http://www.idhsaa.org/concussions/default.asp>). It is strongly recommended that parents and student athletes review this information before participation in a Logos athletic activity. All Logos coaches receive information on the recognition and procedural duties related to concussion upon employment and at least biannually thereafter. (Implementation of Idaho Code 33-1625).

A. CONCUSSION POLICY:

Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems), shall be immediately removed from the practice or contest and shall not return to play until cleared by an appropriate health care professional.

B. PROCEDURE:

1. If during a practice or game or competition, it is reasonably suspected that a youth athlete has sustained a concussion or head injury and exhibits outward signs or symptoms of such, as defined by the centers for disease control and prevention, then the youth athlete shall be removed from play. Every Idaho middle school, junior high school and high school that participates in or offers an organized athletic league shall develop protocol to be followed for removing such athletes from play. Such protocol shall be consistent with concussion and head injury guidelines of the centers for disease control and prevention.
2. An athlete may be returned to play once the athlete is evaluated and authorized to return by a qualified health care professional who is trained in the evaluation and management of concussions. For the purposes of this section,

Logos School Student Application 2016-2017

"qualified health care professional" means and includes any one (1) of the following who is trained in the evaluation and management of concussions:

- a. A physician or physician assistant licensed under chapter 18, title 54, Idaho Code;
- b. An advanced practice nurse licensed under section 54-1409, Idaho Code; or
- c. A licensed health care professional trained in the evaluation and management of concussions who is supervised by a directing physician who is licensed under chapter 18, title 54, Idaho Code.

IV. GENERAL WAIVER & RELEASE OF LIABILITY FROM LOGOS SCHOOL

I hereby acknowledge that I have read and understand the general practices and programs of Logos School as they apply to my child/children, including the above Explanation of Insurance for Extracurricular Activities. I recognize that there are inherent risks of accidental or unintentional injury or death in even normal day-to-day, well-supervised activities associated with life at school, such as recess or PE activities and I accept that risk. I further recognize that, should our family elect to participate in such programs, there is an increased and inherent risk of accidental or unintentional injury or death associated with extra-curricular activities and I accept that risk. I agree to accept full financial responsibility for any and all injuries that may occur to my child/children while attending school or participating in, or traveling to and from any extra-curricular activity. Furthermore, I agree to waive any direct or derivative claim against Logos School, its administration, board, staff, faculty, drivers, coaches and assistants, whether paid or volunteer, for any and all losses, damages, expenses, and injuries, including death, that may occur to my child/children while at school, involved with, participating in, or traveling to and from extra-curricular activities, no matter what the cause of such injuries may be.

V. MEDICAL AUTHORIZATION

Hospitals may be reluctant to treat children without proper consent, which can cause problems when parents/guardians are not readily available to give consent. In the event of a medical emergency, all attempts will be made by Logos School to contact parents and/or emergency contacts listed on the *Logos School Emergency Information Form*

Under the circumstances set forth above, if unable to be contacted, I authorize and consent appropriate medical care to be performed for my child/children, at any time while enrolled in Logos School. This includes medical care by a licensed physician or hospital when, in the sole discretion of the attending physician, such care is immediately necessary or advisable in the interest of my child's/children's health and well-being. I understand that I may not be informed in advance of the nature and character of the proposed treatment, its anticipated results, possible alternatives, and the risks, complication and anticipated benefits involved in the proposed treatment and the alternative forms of treatment, including non-treatment.
