

Waiver of Liability

I for myself, my heirs, personal representatives or assigns, do hereby release, waive, discharge, and covenant not to sue Logos School, from liability from any and all claims regarding my participation in a summer camp or class.

I also agree to indemnify and hold Logos School harmless from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney's fees brought as a result of my involvement at Logos School.

The undersigned further expressly agrees that the foregoing waiver and assumption of risks agreement is intended to be as broad and inclusive as is permitted by the state of Idaho and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

I have read this waiver of liability, assumption of risk, and indemnity agreement, fully understand its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily, and intend by my signature to be a complete and unconditional release of all liability to the greatest extent allowed by law.

Conduct

I understand that my child will be held accountable for his/her conduct and that tuition is non-refundable even if my child is expelled from class.

Logos Summer Classes

Math

Students will receive a focused review or preview of the foundational math concepts for each grade. This is a great way to prepare for success in math next year. Homework will be required each evening.
