## WELCOME

Welcome to the 2018 Logos School Benefit Auction! We're very grateful you've joined us.

Our Auction Steering Committee has diligently worked to assemble a vast array of items for you to bid on. All proceeds from this event go to support the Logos School. So don't hold back... bid early and bid often!

Let me take this opportunity to thank this year's Auction Steering Committee which is comprised of some very capable women: Paula Casebolt, Katie DeWinkle, and Kelly Driskill. I also want to thank Gwen Spencer, my Logos Development Assistant, for all of her labors on behalf of the school.

Sincere appreciation also goes to Dr. Ben Bowen of Moscow Family Dentistry (Presenting Sponsor) and all the other local businesses and individuals who have supported the 2018 Logos Benefit Auction through table sponsorships and the donation of goods and services found within this catalog.

Your generous bidding is greatly appreciated. The students and staff of Logos School richly benefit from your kindness. We're grateful for your participation!

Gene Liechty  
Director of Development

2. Placing a bid constitutes a legal contract to buy any item upon which your number is the successful bid.
3. The purchase of dinner tickets is not tax-deductible. The value of your dinner ticket is \$30. Any cost above that is eligible for a tax deduction less any amount sold.

### Purchasing

1. Payment must be made by cash, check, Visa, MasterCard, American Express, or Discover Card. Payment in full is due by the close of the evening. Please pay for all of your items with one payment, after all your bidding is completed. Your purchased items must be picked up after payment is received
2. All sales are final. No exchanges or refunds on items unless otherwise noted.
3. Values on items are list prices as stated by donors.
4. Restaurant meals do not include alcoholic beverages, tax, or gratuity, unless indicated.
5. Reservations for trips, vacations, and tickets to performances must be mutually arranged with the donor.
6. All items and services must be claimed and used by the expiration date noted by the donor or one year from the date of purchase. For services purchased, we ask that you contact the donor within two weeks after the auction to inform the donor of your name and possible time when the services will be used. The Auction Committee will not accept responsibility for items not used prior to expiration date.
7. The Auction Committee has attempted to describe and catalog all items correctly, but all property is sold as-is and the Auction Committee neither warrants nor represents, and shall in no event be responsible for the correctness of descriptions, authenticity, authorship, provenance, or condition of the property. No statement contained in this catalog or made orally at the sale or elsewhere shall be deemed as such a warranty, representation, or assumption of liability.

## **Silent Auction**

1. All items are located on or near tables around the ballroom, with bid sheets nearby.
2. Write your bid number on the first available line and the price you wish to pay. Your bid must be equal to or greater than the bid increment listed on the bid sheet. Raises must be in dollar increments.
3. Your bid number and bid values must be legible. Values that cannot be read are subject to interpretation by the Auction Committee and may result in the winning bid going to the next highest bidder.
4. The winning bid will be the last “qualified” bid on the sheet. A “qualified” bid is one that is greater than the previous bid by an amount equal to or greater than the bid increment.
5. The Silent Auction sections will close in sequential order. Closings will be announced by the auctioneer. All bidding is over at the announcement of closing; no more writing is allowed.

## **Live Auction**

1. Live Auction bidding will begin at the conclusion of the last Silent Auction section and continues until all items have been auctioned. Items will be displayed for viewing throughout the evening.
2. To bid, raise your bid number high so it can be easily seen. Once the auctioneer acknowledges it, lower it until you wish to bid again.
3. Bidding order of Live Auction items is subject to change after publication of the catalog.
