

# Logos Reduced Tuition Plan (RTP) Application

**Description:** Since opening our doors in 1981, Logos School has not turned away one family unable to afford the entire tuition. RTP was established by Logos to support families who wish to provide their children with a Christian education, but need financial assistance to do so. Logos does not have an endowment or scholarship money. All of the reduced tuition we grant comes directly from our budget, that is, from employee salaries. We are committed to giving sacrificially so that tuition is within reach.

**Policy:** RTP is need-based (i.e. financial need) rather than merit (i.e. grades). RTP awards are made yearly. A new application must be submitted every year. Families on RTP volunteer in the school.

**Procedure:** Apply by April 1st (or, if admitted after April 1st, within 2 weeks of being accepted)

1. Check with your church's Christian education fund, and pursue other sources of assistance, such as grandparents, who are often happy to contribute.
2. Fill out a Logos RTP application (below).
3. Complete the financial need verification process: (a) a copy of your most recent 1040 tax form, (b) a brief explanation of your financial need.
4. Participate in our RTP Volunteer Program (all family members may participate). Log hours in FACTS.

---

## Logos RTP Application

Name: \_\_\_\_\_ Date: \_\_\_\_\_ Number of kids at Logos: \_\_\_\_\_

Number of years on RTP: \_\_\_\_\_ Number of volunteer RTP hours last year: \_\_\_\_\_  
(see FACTS Family Portal....Family....Service Hours)
