I am applying to participate in the two activities listed below. I understand that it is my responsibility to acquire the endorsement of each of the coaches and my parents and then deliver this form to the Activities Director for approval. My parents and I have read the Parent Student Handbook as it regards to extra-curricular activities and dual-sport participation. We understand that it is a privilege to participate in multiple activities. I accept all of the responsibilities of a member of each team when participating in more than one activity.
