Room to Grow

by Kelly Driskill, *Logos alumna ('96)*

A day of small beginnings: in 1981, the Logos student body consisted of just 18 students.

In September 1981, Logos School first opened its doors to 18 students in the basement of the Paradise Hills Church of God.

The goal was to provide a classical, Christ-centered education. The school quickly outgrew the borrowed space, and six years later, after extensive prayer and remodeling, moved into a former roller skating rink.

Over the years, we have added the gym, four portable classroom units, the “little house” office and library, as

In forty years, Logos School has grown from 18 students to 567. The wait list continues to lengthen as we stretch to make space for every family eager to be a part of the Logos School mission.

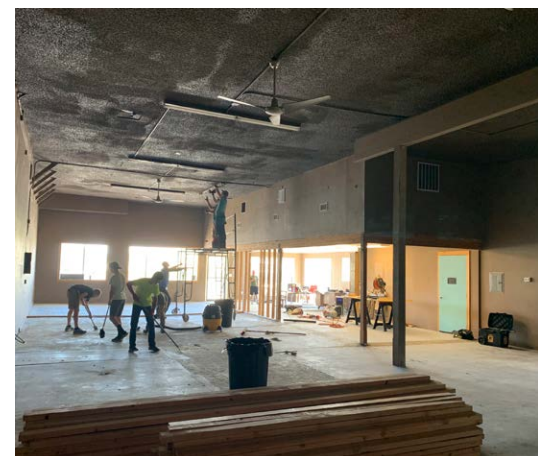

well as building additional classrooms into the lunchroom and stage space. We expanded to add a second class per grade, and in 2018, we moved our pre-school and kindergarten classes to the Nazarene Church. And the students kept coming!

In anticipation of continued, substantial growth, the Logos School board decided in May 2020 to begin preparing for a Logos School District.

New student registration in the spring of 2021 made it clear that the school needed to add another full class in pre-school through third grade. The search for an additional elementary school space intensified and a location was found on the south end of town.

Over the summer, a crew of volunteers helped transform the newly purchased south campus building into classroom space.

In a few short weeks, the lease was signed, the remodeling plans drawn up, the permits issued, and the extensive remodeling project began...with just three months till the start of the school year! With Adam Berry at the helm of a solid student work crew, the construction team completed demo, framed walls, hung sheetrock, and painted. They then installed flooring, electrical, plumbing, and playground turf.

Four new teachers and an administrative assistant were hired, and Mrs. Tracie Handel took on the role of lower elementary principal to oversee grades pre-school through second. By mid-August, teachers began moving into the freshly painted three first grade and three second grade classrooms; a stage was built in the great room for assemblies, and a library took shape. Generous parents

donated and built the playground structure. And on August 23, 2021, the Logos South Campus opened its doors to 92 first and second graders.

In forty years, Logos School has grown from 18 students to 567. The wait list continues to lengthen as we

stretch to make space for every family eager to be a part of the Logos School mission: to provide a classical and Christ-centered education in order to graduate young men and women who are equipped to shape culture through wise and victorious Christian living.

FALL *Athletics Roundup*

High School Football

by senior Kenny Kline

In the 2021 fall season, the Logos Knights fielded their first ever varsity high school football team. The team was led by head coach Nick Holloway and assistant coaches Skyler Craft, JC Christenson, Stan Miller, George Landis, and Jason Elmore. The boys finished the season 3 and 6 overall, 1 and 6 in league. It was a foundational year for both the players and coaches, and despite a losing record, the program shows strong potential for future years.

The team had a strong turnout for its first season, with over thirty athletes across the varsity and JV rosters. For

the majority of these young men, it was either their first or second season playing any sort of football. The team had a strong group of underclassmen, and everyone is excited to see the program develop in the years to come. The team will be losing eleven seniors, leaving lots of opportunity for these younger players in the next season.

The team entered the season eager to compete, and proved that they were ready to play. In their opening game, the Knights defeated Timberline High School. The first touchdown in Logos's varsity program history was a pass from sophomore Jack Driskill to senior Solomon Howard. After setting the tone early, the Knights continued to push through the game and finished with a score of 58-26. The Knights continued to fight hard throughout the season, earning two

more victories over Troy and Lewis-County. Their hard work will continue to pay off as a foundation for future seasons.

Several athletes received recognition for their achievements over the course of the season. Senior Solomon Howard received all league honorable mention as a defensive back, and senior Aiden Elmore received the same as a running back. Senior Liev Comis received all league second-team as a wide receiver. Sophomore quarterback Jack Driskill finished the season in the nation's top ten for total passing yards in eight-man football.

The JV team was also able to compete in eight games over the course of the season. Led by Stan Miller and George Landis, the JV boys finished the season with a record of 3-3. With a focus on skill development, the JV players worked hard and their coaches were pleased with the improvement that they showed

throughout the season. Many of the players on the JV team were also able to get some playing time in the varsity games, and the JV team practiced with and traveled with the varsity team. The JV boys are looking forward to getting more playing time at the varsity level in the upcoming season.

The Knights' motto of "Gratitude, Sacrifice, Excellence" showed in the players and the coaching staff throughout the team's first season. The work that was put in during those twelve weeks will continue to help the future of Logos's football program. As the underclassmen move up through the ranks, they will be a force to be reckoned with throughout the league. This was shown in the brotherly love and the trust that the team shared, and their potential to do great things both on and off of the field will only grow as time goes on.

High School Volleyball

by AD Patrick Lopez

The 2021 volleyball season was Logos' second year of competition in Division 1 of the White Pine League. Head Coach Jessica Evans led the program for her 28th consecutive year. The year started with a series of losses against some of the strongest competition in the league and led to a slower start to the season than the team had hoped. Throughout the year, the girls battled through many obstacles and injuries. The perseverance paid off as the year ended with a strong showing at the District tournament, where they earned victories over Lapwai, Prairie and Kamiah, all teams they had lost to during the season. Those victories allowed the girls the opportunity to face Genesee for a chance to advance to a state play-in game.

This year's team was led by three experienced senior captains: Annika Haney, Lina Jankovic, and Ameera Wilson.

The experience of the three seniors was supported by some strong performances from underclassmen such as junior Lilly Leidenfrost and sophomore Lucia Spencer. Lilly had a strong season and was awarded all-league 1st team, and Lucia Spencer earned an all-league second-team selection. Three other juniors: libero Ellie Brower, middle hitter GraceAnn Vanderploeg, and outside hitter Emilia Meyer rounded out the varsity roster.

The team finished the season with a record of 4-10 in the league and 7-12 overall.

Special honors went to Lina Jankovic, who led the team in blocks and kill percentage. Annika Haney was awarded the Knight Award, and Elli Brower led the team in digs and earned the team's defensive player of the year. Lucy Spencer was the team leader in kills. Lily Leidenfrost was selected the team's Most Valuable Player.

First-year Coach Naomi Tate led the JV team, with strong performances from Evie Grauke, Signe Holloway, and Eve Rench.

Cross Country

by Coach Josh Wright

She knew they would be fast, maybe the fastest girls' cross country squad Logos has ever assembled. Paula Casebolt could see her team had the talent, the depth, the drive to justify setting the bar high—state-championship high.

They just had to do the hardest part: prove it on the biggest stage. Which is exactly what the Logos girls did at the Idaho Class 1A state cross country meet in Eagle.

The Knights captured the school's first girls' cross country state championship with a narrow victory at Eagle Island State Park, adding a banner to Logos Gym to accompany three boys' state cross country titles.

"My expectations for the girls were high this year," Casebolt told her team at the postseason award banquet. "But there are always a lot of unknown variables: How much speed can we add? What kind of injuries or sicknesses will pop up? What do the southern schools look like?"

"But you kept getting faster and you started to really put a distance between yourselves and your competitors."

Team MVP Sara Casebolt and senior captain Clara Anderson paced Logos with fifth- and sixth-place finishes at state, but it took a total team effort for the Knights to edge Raft River by 2 points. Alyssa Blum edged a runner from Liberty Charter by a half-second to nab 11th—gaining crucial points for the team—while freshman Lizzie Crawford held off a Raft River competitor for 22nd and Josephine Wyrick finished 24th.

The Logos girls dominated districts and beat much bigger schools, including Moscow, Pullman, and Lewiston, throughout the season. Casebolt was most impressed, though, with how her team exhibited the school's hallmark values of gratitude, sacrifice, and excellence.

"Not only do they represent Logos with excellence," the fifth-year coach said, "they lead with some really unbelievable sportsmanship and care for the other athletes on the course."

The Logos boys also had a terrific season. Led by top-20 finishers Zach Atwood and Theo Sentz, they took fourth place at state after also cruising to the district title.

Junior High Fall Sports

JH FOOTBALL

The third year of the Logos junior high football program ended with a winning record of 5-1. Twenty-five athletes in grades 7 and 8 played on this year's team, as the football program continues to grow. Head coach Carson Sensing was joined by Michael Bostick, Chet Hervey, and Andrew Crapuchettes, and the full staff focused the team on working hard as unto the Lord in practice, as well as in games. They emphasized to our 8th graders to lead well and set a Godly example for the 7th graders. Each practice began with devotion and prayer, as the coaches taught valuable principles that apply to football and, more importantly, life.

JH CROSS COUNTRY

This year's junior high cross country team consisted of 20 athletes in grades 6-8. Coached by Josh Wright, both the boys and girls teams won the first meet of the year at Moose

Creek and then went on to win the Potlatch Invitational also. Eighth graders Yasmin Hernandez and Matthias Toeppen consistently placed in the top three and led a pack of hard-working, talented runners.

JH VOLLEYBALL

The junior high volleyball season started on the first day of school with 26 girls playing in the 6-8th grade intramural league. The three teams were very competitive and traded wins and losses equally over the five week season. Eighteen of those players went on to play another seven weeks in the competitive Whitepine League. The B team ended the season at 7-3, and the A team at 4-6. Second-year coach Heather Meyer was joined by Hannah Studt this year, and the girls were led by a solid group of 8th graders: Chloe Jankovic, Heidi Johnson, Lizzie Meyer, and Hailey Wambeke, as well as Nicole Nadreau who was injured early in the season but continued as team manager. We're looking forward to seeing these girls on the court next year as they join our high school Knights! ☕

FIELD DAY

by Tora Whitling

The secondary students took a break from their studies on the first Friday of school and headed to Mountain View Park for a fun day of welcoming the new students with competitions and lunch. This year 12 teams competed in ultimate frisbee, kickball, volleyball, tug-o-war, modified cricket, and soccer. The day finished with the staff vs. senior volleyball game and tug-o-war. The seniors did a great job of organizing and leading their teams, making team uniforms, and cooking lunch. Well done! ☺

YOU CAN'T TAKE IT WITH YOU

Directed by Logos Alumna Elli Sensing

“YOU SHOULD HAVE BEEN THERE. That’s all I can say. You should have been there,” remarked Grandpa, and he was right. With Elli Sensing as its director, the 2021 Varsity Drama production of “You Can’t Take It With You” was a huge comedic success.

The play opened with Mrs. Penny Sycamore (Esther Niey-meyer) industriously working away at her typewriter writing plays. In danced her daughter Essie (Signe Holloway) with a tray of homemade chocolates. The rest of the family enters later displaying their little quirks and interests. Grandpa (Elijah Snell), who is the head of the family, collects snakes, throws darts, and does pretty much whatever he wants. Paul (Luke Hughes), husband to Penny, makes fireworks in their basement along with Mr. De Pinna (Titus Sodeburg).

Essie’s husband, Ed (Edrick Moya), plays the xylophone and loves to use his printing press. Kolenkhov (Thomas Bowen) teaches Essie ballet, and discusses Russian politics with Grandpa. Rheba (Lily Grauke), the maid, basically only knows how to make cornflakes, and her boyfriend, Donald (Isaac Hale) collects flies.

All in all, they are a strange, but very content and happy, family. The only normal one of the family is Alice (Tabitha Miller), Paul and Penny’s daughter. She is engaged to Mr. Anthony Kirby Jr. (Solomon Howard), the son of a rich banker. Alice worries that the families will not get along, but Tony assures her that everything will work out. They decide to invite the Kirbys over to the Sycamores to have dinner. However, Tony brings his parents over one night early,

and chaos ensues, involving orchids, spiritualism, wrestling, a drunk actress, explosions, and everyone getting arrested. The next day, Alice decides that it will never work, and breaks up with Tony. Grandpa, seeing that Alice still loves Tony, talks her out of it, whilst also persuading Mr. Kirby (Clive Miller) to relax and enjoy life instead of working 24/7. The play ends with Grandpa miraculously escaping income tax and the family having dinner cooked by the Grand Duchess Olga Katrina (Greta Sentz).

"You Can't Take It with You" had a fabulous supporting cast. Eleanor Evans played Mrs. Kirby, Tony's rigid and formal mother, a spiritualist at heart. Jubilee Joiner played Gay Wellington, a musical "actress" who liked her sherry too much. Lucius Comis played Wilbur

C. Henderson, a flustered IRS agent. He also played the head G-Man who arrested everyone that fateful night for conspiracy against the government. Zach Atwood and Nathan Bluto played Mac and Jim, the other two G-Men who assisted in the arrests.

The crew was an enormous help this year. Stage lights, sound effects, and mics were aptly handled by Courtney Elmore, Emme Doane, Xan Doane, and Cia Park. The stage, prop, and script managers were Eve Rench and Elizabeth Hewitt. Hair and makeup was done by London Comis and Brigid Monjure. The costumes were created by the incredible Chelsea Niemeyer. Finally, our marvelous director was none other than Elli Sensing. This was her second varsity play, and she made it a very fun experience for everyone. ☺

National Merit Semifinalists

CONGRATULATIONS to seniors **Kenny Kline** and **Kaylee Vis** on being named semifinalists in the 67th annual National Merit® Scholarship Program, based upon scores from the PSAT qualifying test. The 16,000 semifinalists represent less than 1 percent of the nation's high school seniors. Ninety percent of these semifinalists will qualify as finalists, to compete for National Merit® Scholarships. They join the 84 other Logos alumni who achieved National Merit Honors. Congratulations as well to **Ameera Wilson** for being a commended student in the same program.

FEED the NEED 2021

ON NOVEMBER 4, 470 Logos students worked to prepare over 10,000 meals for local food banks, clinics, and churches. Students in grades 1-12 took part in our annual Feed the Need event, in partnership with Homestead Ministries.

Each shift started with singing and then students divided into groups to label packages, mix spices, seal spice packets, fill bags with legumes, and seal the meal packages. The meals were packed into boxes and then loaded onto trucks for delivery.

This event is student driven, led by our upperclassmen, whose hard work and patient instruction and guidance of all the little hands makes for a fun and productive day! Way to go, Knights! 🏰
